# FASHION FESTIVAL

## ABOUT US

At the Manhasset/Great E.O.C., we provide a variety of programs which cater to the needs of children and families throughout neighboring communities.

### Head Start

The Head Start program offers a comprehensive full day, full year early childhood program designed to meet individual needs of 3 & 4 year old children. Children from income-eligible families must be 3 years of age prior to December 1st and live in Manhasset, Great Neck, Roslyn, or Port Washington to be considered for enrollment.

Youth Program

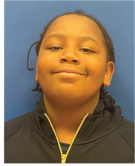

The Manhasset/Great Neck EOC Youth Program offers a variety of programs after school, evenings, and weekends for teens and young adults. There are opportunities to participate in basketball training and skills development, homework assistance and tutoring, mentoring and career exploration activities.

### Summer Program

The Manhasset/Great Neck E.O.C. Summer Program is a summer filled with fun and education. Children from 1st through 8th grade enjoy a full day of educational, cultural, recreational and enrichment activities to help develop and build character. The summer program also provides Youth Employment for teens to help with work experience and job readiness.
